June 8, 2020

Hello Parents and Caregivers,

It is with great excitement that I write to you today. The Commissioner of Education is allowing schools to open (with strict guidelines) for summer programs. Summit Academy has already put an online remote learning program in place, and this will continue. However, we are making plans to present a both an in school and an online option for the summer. Unfortunately, we will not be attending Grotonwood this summer. These two programs will run concurrently, and parents will have an option to choose which program their student will attend. The dates for Extended School Year will be July 6 through July 31.

If your student has Extended School Year services on their IEP, and you would like them to participate in the program this summer, please email me and let me know the following:

1. The student's name
2. Grade
3. Online or In Building
4. Number of weeks student will participate
5. Dates student will participate

I need to know this information by Friday, June 12, 2020. We would like to have an Orientation meeting for parents of students who attend the Extended School Year program within the next two weeks.

Thank you for your help in this matter.

Kathleen Buchanan
