

## **COVID-19 MANAGEMENT**

In order to mitigate the transmission of Covid-19 to the Summit Academy Community, the Covid-19 Response Team has updated the following policies and procedures with the latest recommendations from the Massachusetts Department of Health, The Center for Disease Control and Prevention, and Massachusetts Department of Elementary and Secondary Education.

We encourage parents/guardians to monitor their child for the following symptoms and to attest that students remain symptoms free prior to attendance at school are listed below:

- fever 100° F or chills
- cough
- shortness of breath
- difficulty breathing
- fatigue
- muscle and or body aches
- headache
- loss of taste or smell
- sore throat
- congestion
- runny nose
- vomiting
- nausea
- diarrhea

If your student shows any of the above symptoms, please contact your Primary Care Physician. For further information regarding safety mitigations, quarantine, and/or isolation, please visit the following web sites:

- Massachusetts Department of Health
- The Center for Disease Control and Prevention
